EUROPE.

The English Cabinet Resolve to Resist the Absorption of Luxemburg. London, December 16,

At a meeting yesterday, the Cabinet onsidered the Luxemburg question and ome to the conclusion not to take any steps to prevent Prussia from occupying that territory, reserving for further considera-tions the steps to be taken in case of its forcible annexation.

The opinion is strong here that Prassia will take Luxemburg and Holland instead of Alsace and Lorraine, and that the war will end with the restoration of the em-

No Bombardment till New Year. fine bird; it had scales on its back, and was taken from a barrel labelled 'No.3 mackerel.''—Exchange.

Our impression is that the mackerel has no scales.

A dispatch from Versailles, dated the 10th inst., says: There are no effective guns mounted, and the bombardment will not commence before the 1st of January. The guns now mounted are useless. War Material for France.

NEW YORK, December 17.

New York, December The shipment of arms and war material for France still continues. Almost every vessel clearing from New York for French ports carries as part of its cargo large states and already the steamers Onquantities, and already the steamers On-tario and Eric have left Boston via Cowes, the 13th for Havre, has arrived at this port. Her cargo consists of 7,624 cases of cartridges, 80 cases of revolvers; 450 cases of freedowns, 805 cases of muscles, 305 cases of revolvers; 450 cases of the valley of the Loire. The national of knapsacks, 805 cases of rides, 175 cases of histols, 10 cases of rides, 175 cases of harness, valued in all at \$873,808.

Germans Preparing to Attack Havre.

Intervention for an Armistice De-LONDON, Dec. 16. The official affirmation, emanating from

The official affirmation, emanating from Bordeaux, stating that the neutral powers are striving to facilitate the admission of France to the conference, and that some of the powers propose an armistice, including the revictualment of Paris, is absolutely lalse, according to the highest authorities. On the other hand, the statements before telegraphed respecting

fications in immense force, and have al-ready completely invested Versailles. Fighting is now going on in the direction of Albert and Abbeville. cated.

One More Explanation of the Delay in Bombarding Paris. VERSAILLES, December 17. The delay in the bombardment of Paris The deny in the logistarium of a ray is caused partially by the quarrel between Gens. Blumenthal and Von Roon. The atter wished to use the army horses to oring up guns, while the former insisted that it was impossible to spare them. You Roon finally yielded and 4,000 horses we now conjust from Germany. It draw are now coming from Germany to drag the siege guns from the railway terminus. The condition of the roads is fearful. Food is very scarce in the German camps and some of the troops have been with-out meat for three days.

French Driven by the Prussians. BERLIN, Dec. 17.

The French were driven from Vendon Diron, Dec. 17, via Bentin.

The Prossians attacked the French near igean, and drove them into the fortress. French loss 260 The military commandant of Tours has been relieved for evacuating the

tario and Erie have left Boston ria Cowes, laden entirely with warlike stores valued at \$3,007,577 65. The steamer Concordia, Capt. Hedge, has arrived at Boston for Gapt. Hedge, has arrived at Boston for forces under Chausey have received heavy or arms for France. The Concordia is a nowerful steamer, iron built, ship-rigged, of 1881 tons burden, 18 feet draft, and built in Glasgow. She is reported very fast. The steamer Pierre, which left on the 18th for Havre has strived at this langed relutored.

The Prussians now appear to be con-centrating near Guelat to attack Havro The latter place has 350 cannon strong garrison, and will be defended the last.

GENERAL EUROPEAN NEWS.

Riot at the Gates of the Vatican-Feast of the Immaculate Conception Interrupted by a Gang of Ruffians.

Rome, December 16, On the least of the immaculate conception a gang of rufflans, headed by one Tagnette, a notorious infidel, got up a riot at the gates of the Vatican, and made a savage attack upon some of the Roman people friendly to his hollness. They were armed with swords and hatenets, four citizens. The soldiers, however, were called out; they charged Tagnette's gang and made several prisoners. The others proceeded to the police office and demanded their release. The next day the Col. of the 1st Pontifital regiment narrowly escaped death at the hands of the riotors, by making good his escape through a building. On the feast of the immaculate concep-

THE CELEBRATED

HOME

ever offered to the Public

Every Family should have a Bottle.

We have in our possession hundreds of the most flattering itestimonials from Physicians of the bignest standing, both of the Alapathy and Homeepathy schools, who endors and prescribe the Home Stomach Bitters as a recuperant, stomachle and toole, and all agree that they are the best remedy known in cases of Indigostion, Dyspepsia and General Debility. They are a created preventative of Fever and Agne, Billiousness and all diseases arising from malarious causes. They are not only menouryful to the sick, the convalencent and the well, imparting strength to both mind and bedy.
